

# Camco Technologies – Jobstudent Assembly Operator (August) From road to vessel

## Role

For the month of August, we are looking for a motivated student to support our Assembly Department.

As a student assembly worker, you will assist with the assembly of various components, including:

- Digital cameras
- Kiosks
- Rails
- Lighting
- Electrical cabinets (wiring & assembly)

You will be part of a dynamic SME where initiative and craftsmanship are highly valued. You will report directly to the Production Manager.

## Profile

- You have strong technical insight and manual skills.
- You work accurately and love doing precise assembly tasks.
- You keep your workspace tidy and organized.
- You are able to work independently and take responsibility.
- You speak Dutch fluently and can read and understand English well.

## Offer

- An exciting student job in a high-tech environment
- A competitive student salary package
- Guidance and constructive feedback throughout your assignment
